

Shavuot and the Giving of the Torah

Shavuot is the time that the Jewish people received the Torah at Mount Sinai.

It's occurrence each year symbolizes many things; the commemoration of the early wheat Harvest, and the Festival of New Fruits. It also commemorates the story of Ruth, whose love, loyalty and kindness drove her to choose Judaism. She, along with Jacob, exemplify stories of choice and revelation.

CHEESECAKE, CHEESECAKE, CHEESECAKE

Shavuot is a holiday where we commemorate the birth of the Torah, and like the mother's milk that comes along with new birth, we eat dairy products to celebrate *this* birth.

Please make or bring your favorite cheesecake
